

Camping Changes Lives

We here at Sturtevant's Camp absolutely believe in the power of camping to change lives. That is why we commit ourselves to providing the best and most loving Christian hospitality possible so that you might encounter the Creator God and grow in your faith.

Whether it be for church, family or youth camps, personal or group retreats, or just a quick getaway for a time of refreshing, we want to offer Sturtevant's Camp as that "sacred space" where you are sure to be revived.

Call us today to make a reservation or stop on by for a quick tour. We would love to talk to you about how we can help you grow in faith and change more lives for God's kingdom.

Christian Hospitality

Chris Kasten, Camp Manager

The friendly and faithful staff at Sturtevant's camp is eager to serve your group and programming needs.

Our serving spirit is based upon the biblical call to offer Christian hospitality. As it says in Hebrews 13:2: *"Do not neglect to show hospitality to strangers, for thereby some have entertained angels un-awares..."* We believe that in serving you, we serve Christ.

And so, our promise is that while you are here with us, we will do our very best to provide programming and logistical support so that your camp or retreat is fruitful and impacting. Our ultimate hope is that you will leave having experienced an amazing time of renewal and fun.

Our Accommodations

Perhaps the most unique United Methodist Camp in the country, Sturtevant's Camp is located in the Angeles Forest above Sierra Madre. The camp is accessible only by a scenic moderate-grade four mile hike. The camp is a great experience for hikers looking for a special getaway adjacent to the Los Angeles basin. At the camp you will find recreation opportunities which include a volleyball court, water slide and zip line. And you will want to take a turn on the spectacular tree swing. Enjoy a special program or worship experience in the 100 year old Ranger Cabin made from hand hewn logs. Sturtevant's camp is a self-cooking camp with 40 beds and semi private and communal bathrooms. You can make arrangements to have your gear and food packed in on the last working mule pack train in the San Gabriel Mountains. The camp generates its electricity from a micro hydro generator using the water flow from the adjacent stream. Sturtevant's Camp provides that special camp or retreat experience for youth, families or adults looking to transcend time and reconnect with the magnificence of God's creation.
